

2019-2020 Degree Program Evaluations

A.A. in Bible – 97% Positive Rating

- * All students either “agreed” or “fully agreed” with positive statements regarding this program.
- * No additional comments were given.

A.A. in Business – 100% Positive Rating

- * All students either “agreed” or “fully agreed” with positive statements regarding this program.
- * No additional comments were given.

A.A. in General Education – 86% Positive Rating

- * Most students either “agreed” or “fully agreed” with positive statements regarding this program.
- * Student Comments concerning any 1-3 negative ratings:
 - Ministry is not my calling.
 - I am not in ministry.
 - I studied music but it is not something I will pursue.
 - Algebra: Course was not taught correctly.
 - Algebra teacher was teaching high school math.
- * Note - Planned improvements based on negative ratings/comments:
This was one student who openly showed no interest in spiritual growth; the student will not be returning next year. We have hired a new Algebra instructor.

B.S. in Business Administration – 96% Positive Rating

- * All students either “agreed” or “fully agreed” with positive statements regarding this program.
- * No additional comments were given.

B.S. in Church Ministries – 100% Positive Rating

- * All students either “agreed” or “fully agreed” with positive statements regarding this program.
- * No additional comments were given.

****Original tally sheets of student ratings and comments are on file with the Institutional Effectiveness office.
